 It declared Ukraine's independence from its neighbours

President's Commentary

As usually happens in Saskatchewan, Spring leads to Summer very quickly and with these seasons

also comes Ukrainian Festivals. In Saskatchewan we are blessed to have several that stir the Ukrainian blood in all that attend. I had the good fortune in April to attend the first Ukrainian Festival of the season, namely the Veselka Ukrainian Festival in Foam Lake. My thanks go to Danylo Bodnar for inviting me. The food was excellent and the entertainment was superb, featuring Rusalka Ukrainian Dance Ensemble and Met-Telic-Kih from Winnipeg, Half Na Piv from Saskatoon, Nadia Babchouk (an extraordinary violinist from Humboldt) and local entertainers such as the Zuchkan Family Band, Wishart Hopak Dancers, Veselka Choir directed by John Panio (although Bill Soloduk filled in for John this one time). Scott Cornelius (violinist), Jane Last (singer) and the duet JC Holos. Danylo and the committee in Foam Lake are to be commended for the wonderful job they did.

Immigration support continues to be a priority with UCC-SPC. There was a bit of a lull in the arrival of newcomers, due to the lull in the economy, but as business picks up, employers will again look to Ukraine for workers. In the meantime, spouses and children continue to arrive to rejoin the spouse who first arrived and started work. In addition, there are other family members arriving from Ukraine, having been sponsored by those who arrived earlier.

Discussion continues with the Department of Education around the issue of the elimination of the Ukrainian/ Multicultural Language Consultant and we are hopeful that support for Ukrainian Language Programs will reemerge in the Department along with support for many other languages.

Look for the new 50/50 lottery that UCC-SPC will have launched by this Visnyk's publication date. Representatives in your community should have tickets. They are not overly expensive, being \$5 each or 3 for \$10. Ticket numbers are limited. Proceeds will go to supporting Ukrainian Culture in Saskatchewan. Plan to support this worthy fundraiser.

Welcome to the summer edition of Visnyk! In addition to the regular columns, we are highlighting Saskatchewan Ukrainian dance festivals as well as recommending some recently-released literature for your summer reading pleasure.

If ever you wish to escape from the unexplainable weather realities we call spring in Saskatchewan, I highly recommend visiting

one or more of the annual Ukrainian dance festivals. Dance festival season runs from March to May. You don't even need to travel far. This year I had the pleasure of attending the Svoboda Ukrainian Dance Festival (North Battleford), which celebrated its 20th anniversary in grand style. Regina's Tavria, Prince Albert and Kolos, also in Regina, were the other enjoyable stops on my dance festival tour. Other festivals to consider are the Kalyna Festival (Yorkton); Lloydminster on the Border Dance Festival, and the PFE Dance Showcase (Saskatoon). We look forward to the return of the Hafford Ukrainian Dance Festival in 2011.

Hundreds of participants, ranging in age from 4 to 74, showed off their dancing skills under the watchful eyes of the adjudicators, family and supporters. The pride brought on by the applause and the knowledge of a job well done was evident. The festivals fostered camaraderie among dancers and schools while encouraging personal achievement.

Many months of planning go into event coordination. This exemplifies the high level of commitment on the part of the parents involved. I want to extend my personal congratulations to the organizers as well as the dancers for your superb efforts. You make an important contribution to our province's cultural development and to our Ukrainian cultural identity. UCC-SPC is pleased to make available grant funding through its Community Development Fund to support these cultural events.

In Saskatchewan, the rains have stopped (at least for now) and plans for building an ark have been put on hold. We Ukrainians are now able to focus on our gardens, fruit trees and flower beds... it is in our genes! But just in case things get wet again, take a look at this issue's reading suggestions. There is something for all tastes and ages.

Some good news on the Immigration front—UCC-SPC was recently notified that it will be contracted by the Ministry of Advanced Education, Employment and Labour (AEEL) for two immigration settlement advisor positions. These two staff will serve newcomers in Saskatoon and other parts of the province. UCC Regina Branch will continue to serve Regina-based clients. The funding will be in the form of a 9-month contract, which will run until 31 March 2011. UCC-SPC appreciates the support it receives from AEEL Minister Rob Norris and the Immigration Services Division! Our commitment to providing these important settlement support services is long-term. We look forward to helping many more Ukrainians make Saskatchewan their new home over the years to come. If you are interested in learning more about helping family and friends from Ukraine immigrate to Saskatchewan, feel free to contact our office at 1.888.652.5850.

Another exciting project in the works is a full-time Ukrainian daycare for Saskatoon. This spring the Saskatoon branches of the Ukrainian National Federation and Ukrainian Canadian Congress received grant funding from the Immigration Services

Division (AEEL) as well as UCC-SPC's Community Development Fund to conduct a needs assessment and develop a plan to establish a daycare in Saskatoon. Stephanie Ortynsky was contracted to carry out this work. It is expected that the project will be able to more forward later this year.

In closing, we have heard the concerns of a number of you regarding the loss of the Ukrainian Education Consultant at the Ministry of Education. UCC-SPC has had discussions with other provincial cultural organizations. We are in agreement that this province's language programs need dedicated support within the Ministry. UCC-SPC was contacted by Ministry staff for additional information. UCC-SPC looks forward to meeting with appropriate personnel to resolve this ongoing problem. At this point, the Government states that the position has not been eliminated. As detail become available, we will share them with our readers.

Best wishes for a relaxing summer!

Departed Nation Builders

Saskatchewan's Ukrainian community mourns the loss of:

Retired Chief Justice Edward Bayda, who passed away suddenly in hospital on April 2 while on vacation in Turkey. Chief Justice Bayda's name is synonymous with significant judicial issues that faced Saskatchewan. He was named a UCC-SPC Nation Builder in 2008.

Iryna Lazurko, teacher of Ukrainian language and culture, organizer of cultural events, and tireless supporter of community and church organizations, passed away May 21 at age 88. She was recognized for her contributions as a UCC-SPC Nation Builder in 2004.

Sincere condolences to the families and friends of these outstanding individuals. *Biuna ïm nam'smb!*

LETTERS MICTU

Хочу висловити свою вдячність Вам через "Вісника".

Нелегкі будні імміграції, особливо в перші два роки, кожен з українців як говорять: "відчув на собі". Але дякувати Богу, що він посилає людей, які здатні допомогти не лише порадою, а й діями, навчити нас вистояти і вжитися у нове для нас суспільство.

Моя доля склалася так. що коли я прибула до Канади, то в аеропорту мене зустрів мій роботодавець і представник Конгресу Українців Канади (КУК) Сергій Королюк — привітний, енергійний чоловік з чорними очима. Він вручив мені невеличкий подарунок і візитну картку. Без перебільшення скажу, що в подальшому ця картка стала для мене як важливий документ, тому що, не знаючи мови, не розуміючи системи Канади. я могла отримати відповіді на мої запитання лише в КУК. І надавав мені всі ці роз'яснення і поради знову ж таки Сергій Королюк. Він також був у мене перекладачем, коли я здавала комп'ютерний тест на отримання водійських прав і при проходженні медкомісії перед отриманням статусу постійного резидента. Завдяки Сергієві я отримую журнал "Вісник". Хто отримує цей журнал, той знає які цінні роз'яснення і поради налає КУК.

Особливо мене вразила стаття Сергія Королюка "СПАС" (Вісник, літо 2008 р.). Я не змогла своїми словами передати так змістовно і повно цю статтю моїм знайомим українцям і тому принесла почитати їм "Вісник".

Я звертаюся до українців які вже отримують журнал, будь ласка, допоможіть новоприбулим українцям отримувати "Вісник", надайте номер телефону КУК, це ж так просто. Пам'ятайте як Вам було тяжко адаптуватися в незнайомому суспільстві і посприяйте іншим, адже всі ми люди.

Особливо хочу подякувати Сергієві Королюку за його таку важливу і добру справу — допомогу іншим. СПАСИБІ! Нехай Господь дає Вам, Сергію, здоров'я,

мудрості і береже Вас і Вашу родину.

Світлана Підгорна, Dafoe, SK

Svitlana of Dafoe wishes thanks the UCC-SPC and Immigration Settlement Coordinator Serhij Koroliuk for assisting her with her new life in Canada. She finds the information published in *Visnyk* to be invaluable and recommends every newcomer subscribe to it.

Saskatchewan Order of Merit—Honouring Citizens

Do you know someone who has enriched the lives of others and helped build a better society? These individuals deserve to be recognized for their achievements and contributions to the

social, cultural and economic well-being of the province and its residents.

Nominating an individual to the Saskatchewan Order of Merit is an appropriate way to say "thank you" to someone who has worked to create a promising future for Saskatchewan people. The Saskatchewan Order of Merit is the province's highest honour.

Canadian citizens who are current or former long-term residents of Saskatchewan are eligible for nomination. These talented and deserving individuals may come from all walks of life and from many different backgrounds. The fields of endeavour recognized by this honour include the arts: agriculture: business and industry; community leadership; occupations or professions; public service; research; sport and recreation; and community service.

The only exceptions to eligibility for nominations are presently-serving members of Parliament or the Legislature and members of the judiciary.

are not Canadian citizens or residents of Saskatchewan.

Any person or organization can nominate someone they feel is deserving of the Saskatchewan Order of Merit. Although nominations are accepted at any time during the year, July 5th is the deadline for nominations to be considered this year.

An independent committee called the Saskatchewan Honours Advisory Council reviews all the nominations and may recommend up to ten appointments of members to the Order each year.

A formal ceremony is held in the fall where the Lieutenant Governor presents each recipient with the insignia of the Saskatchewan Order of Merit.

Ukrainian Dance Festivals in Saskatchewan

■ Svoboda Festival (North Battleford)

The Svoboda Dance Festival Association, dancers, parents, families and friends celebrated 20 years of excellence in Ukrainian dance over the April 30-May 2 weekend.

The highlight of the festival included a Saturday evening Gala Performance featuring dancers, musicians and singers from four well-known Saskatchewan groups: Lastiwka Ukrainian Orthodox Choir & Orchestra, Pavlychenko Folklorique Ensemble, Yevshan Ukrainian Folk Ballet Ensemble (all of Saskatoon) and Tavria Ukrainian Folk Dance Ensemble (Regina). It was a great pleasure to be entertained and amazed by many former Battlefords and area Svoboda Dancers and performers, as well as former competitors.

In addition to the participation of ourown Svoboda dancers, the two-and-a-half-day festival drew competitors from Rosthern Ukrainian Dance

Club, Malanka Dancers (Lloydminster), Sonia's School of Ukrainian Dance, Sonechko Ukrainian Dancers. Saskatoon School of Dance, Rushnychok Ukrainian Folk Dance Association Inc., Vesnianka Academy of Ukrainian Dance (all of Saskatoon), Two Hills Ukrainian Dancers, and Myrnam & District Ukrainian Dancers (both from Alberta).

New to the festival this year were Kolos (Regina) and Sopilka Ukrainian Dance Ensemble Society (Vegreville, Alberta).

Svoboda Dance Festival Association was able to provide approximately \$6,000 in awards and scholarships to our competitors. The scholarship program is sponsored by the local business and professional community of the Battlefords and area, SIGA/ Gold Eagle Casino, Battlefords Ukrainian Canadian Cultural Council, the Ukrainian church communities, the UCC-SPC, local media and Saskatchewan Lotteries. The City of North Battleford and Town of Battleford continue to lend their support to what has become a tradition since 1980.

Next year's festival is scheduled for April 8-10, 2011.

■ PFE Showcase (Saskatoon)

The 6th annual Pavlychenko Folklorique Ensemble Dance Showcase was held on April 16-18. The event included 353 entries representing 16 schools from Alberta and Saskatchewan. The festival featured traditional Ukrainian dancing from 6 years to 18 years.

Tanya Hyshka and Shane Gibson, both professional dance teachers, shared the adjudicating responsibilities for the weekend.

In recognition for dance excellence, 40 trophies and cash awards were given. The winners are posted on the PFE website, www.pfedance.com.

We would like to extend a

special thanks to our donors and sponsors which helped to make the festival a success.

The 7th annual PFE Dance Showcase will be on April 15-17, 2011. For further enquiries contact PFE Showcase at showcase@pfedance.com.

■ Kolos Festival (Regina)

The 2nd annual Kolos Ukrainian Dance Festival and competition was a tremendous success, topping the 2009 event in both participants and prize money awarded.

Two hundred dancers, aged four to 88, from 13 different schools from Saskatchewan and Manitoba, competed at the three-day event, May 14-16, in the Pollard Auditorium at Regina's Sheldon-Williams Collegiate. The hosting school, Kolos, captured the Kolos Cup-awarded to the school with the most top marks-a remarkable accomplishment given the fantastic

Yevshan Ukrainian Folk Ballet holds Shearwater Cruise Fundraiser

The dancers, board of directors and parents are busy fundraising for Yevshan's upcoming 50th Anniversary event. Our goal is to bring the Zaporozhtsi Ensemble from Ukraine to play live at our concert. Oleh Kuhajevskyi, composer of this ensemble, spent five weeks in Saskatoon with Yevshan's Artistic Director, Vitali Sorokotiaguine, and the dancers creating music for this event.

The concert will take place November 12th at Sid Buckwold Theatre, TCU Place with a banquet and dance being held November 13th at the same venue.

Tickets for the event may be purchased through www.tcutickets.ca or in person at the TCU Box office. B

competition, especially from Winnipeg and Saskatoon. Saskatoon's Vesnianka school finished a close second for the cup, a mere nine points short. Winnipeg's Zoloto school and Kolos dominated the diamond dance-off awards. The success of the Kolos kids speaks highly of the level of instruction and choreography provided by artistic directors Serhiy and Liana Zabutnyy.

Adjudicated by Edmonton's Vincent Rees-a judge who enthusiastically shares his positive and constructive comments-the festival awarded \$4,000 in prize money and

scholarships, thanks in large part to the generous support of presenting sponsor, the Regina Hotel Association; silver sponsor, SaskEnergy; and bronze sponsors, SaskTel, Farm Credit Canada and BLS Asphalt Inc. GV audio, Adventure Printing, Cordurov Consulting and Canada Safeway also provided in-kind support.

The 3rd annual Kolos Festival will take place May 13-15, 2011. We hope to see even more schools participate next vear!

Boen Arts Presents

Virsky National Dance Company of Ukraine 2010 Canadian Tour

"Astonishing!"

- The New York Times

Boen Arts is pleased to announce Virsky National Dance Company of Ukraine's 2010 Canadian Tour. The tour will commence on October 7 in Vancouver and will continue to travel throughout British Columbia, Alberta, Saskatchewan, Manitoba, Quebec, and Ontario. Tickets are on sale now.

The renowned professional dance ensemble under the name of Pavlo Virsky is famous for its bright colours, unity of content and form, and the vivid embodiment of its stage concept. This magnificent artistic group embraces the beauty of its native Ukraine. Each and every performance is romantic, elevated, and passionate. The ensemble's diverse concert programs have been warmly received by audiences around the world.

Virsky was started in 1937 by two well known Ukrainian ballet masters, Pavlo Virsky and Mykola Bolotov. From 1955 to 1975 the group was lead by Virsky whose exciting choreography has amazed the dance world for years. It was under the guidance of Virsky that the company matured into the professional dance ensemble that the world enjoys today.

In 1980, Myroslav Vantukh, Virsky's disciple and an expert in folk traditions and ethnography, took over from Virsky and continued the creative genius, preservation and development of the folk choreographic art form. Virsky continues to grow under the direction of Vantukh as he takes the dancers to new heights of accomplishment through his ever expanding repertoire of new dances and continues to entertain and educate the world about the talents of Ukraine.

Blossoming of a Ukrainian Canadian: Savella Stechishin

by Natalie Ostyzniuk

This biography of Savella Stechishin is about a pioneer woman with the determination to fulfil her vision. She played an important role in preserving and sharing Ukrainian folk art and cuisine. She was successful in teaching women the modern techniques of household sciences and encouraging them to strive for higher education for themselves as well as their children. An activist, journalist and social reformer, she was an important contributor to society

both in Saskatchewan and the rest of Canada.

Natalie Ostryzniuk, a descendent of Ukrainian pioneers in Manitoba, has had a keen interest in her heritage and been active in her ethnic community, as well as in the mainstream community of Regina. After being awarded a Master of Arts degree majoring in Canadian History in 1998, she decided to write a book on Savella Stechishin, the subject of her Master's dissertation.

Stolen Child

by Marsha Skrypuch

Stolen Child is the moving story about 12-year-old Nadia Kravchuk, who has immigrated with her parents to Canada. Nadia is a Lebensborn girl, kidnapped for her "Aryan looks" by the Nazis in their frenzy to build a master race. Her fierce determination to uncover her past against incredible odds is revealed in this novel, which is written for children ages 9-12.

Marsha Skrypuch has a passion for writing about history that has been shoved

under the carpet. She wrote *Enough*, the first commercially published children's book set during the Holodomor (Stalin-induced famine in Ukraine). Turned down by many publishers who considered the topic too "controversial" for children, *Enough* was published in 2000 by Fitzhenry & Whiteside and is still popular a decade later. When it came out, Marsha received hate mail and death threats. In 2008, Ukraine President Victor Yuschchenko bestowed upon her the Order of Princess Olha for her championing of the Holodomor.

Stolen Child as well as Marsha's previous book *Prisoners in a Promised Land* can be purchased from the UCC-SPC office in Saskatoon by calling 1.888.652.5850.

Night Work: The Sawchuk Poems

by Randall Maggs

This book recounts the personal and public life of Terry Sawchuk, premier goalie in the era of the original-six NHL. Like many other goalies, Sawchuk was "a guy from a different planet," but he was uniquely different from other goalies. Maggs probes Sawchuk's Winnipeg upbringing in a household of Ukrainian immigrant parents, and his dark and unpredictable character, continually at odds with his highly public

athletic life. Although Maggs' poems focus on Sawchuk and his complex personality, they also convey the physical and psychological hazards faced by professional goaltenders of the age. Illustrated by photographs, the text presents many voices, including Sawchuk's, in a work that guides readers through the triumphs and failures of a tumultuous twenty-year NHL career.

Renowned Canadian author Randall Maggs is a poet, editor, artistic director of Newfoundland's March Hare Festival and a professor of literature at Memorial University.

A Rose Grows: Fighting Cancer, Finding Me by Olga Stefaniuk

This memoir begins by giving the reader an enjoyable look into the author's childhood and family life in the then-bustling railroad village of Hubbard during the 1940s and 1950s. When Olga finds a lump in her breast at the age of 42, the reader shares her intimate journey of survival, loss, perseverance, and determination to reach out to others in the midst of her own struggle to not only survive—but thrive. Always posi-

tive but gentle and honest, Olga doesn't gloss over difficulties.

Since being diagnosed with breast cancer in 1986, Olga used her experiences to help others facing the same journey. She made regular visits to cancer patients and counselled anyone who needed to hear her never-tiring message of hope. A volunteer for many organizations, including the UCWLC at her church, and cancer groups and conferences, Olga recently started a support group for women with metastatic disease. For helping to bring Retreats for Women Facing Cancer to Saskatoon, and co-founding the HOPE Cancer Help Centre Inc., she was awarded the YWCA Women of Distinction Award and the Saskatoon Community Service Village Builders Award.

Olga Stefaniuk passed away in Saskatoon on May 17, 2010. Her autobiography was launched in 2009 and shortlisted for the Reader's Choice category of the Sask. Book Awards.

Визнання та оцінювання іноземної кваліфікації в Канаді

Сергій Королюк, Координатор з питань імміграції Саскачеванської Провінційної Ради Конгресу Українців Канади

Чи не одним з найболючіших питань іммігрантів є питання визнання їх професійної кваліфікації, набутої за межами Канади.

«Хто ви за фахом і де працюєте?» — часто запитую я новоприбулих.

«Інженер, кандидат наук — працюю механіком в автосервісі,» — відповідає людина. Або: «Взагалі маю диплом лікаря, але наразі працюю в готельному господарстві», чи: «За освітою політолог, але в Канаді працюю у Tim Hortons».

Нажаль це досить типове явище, і не лише серед іммігрантів з України, але й цілого світу. Більше того, визнання кваліфікації є перешкодою, з якою стикаються не лише іммігранти, але також багато канадців, які отримують освіту та досвід роботи за кордоном. Зайвим казати про те, що ця ситуація негативно впливає як на іммігрантів, так і на канадське суспільство в цілому, оскільки професійний потенціал спеціалістів, що набули освіту за кордоном, як членів цього суспільства не використовується. Головна причина цих перешкод полягає в тому, що канадська система регулювання професій створена на засадах задоволення потреб та вимог спеціалістів, навчених у Канаді. Бачачи необхідність у врегулюванні цього питання, канадський уряд розробив план дій під назвою "А Рап-Canadian Framework for the Assessment and Recognition of Foreign Qualifications" («Всеканадські норми оцінки і визнання іноземних кваліфікацій») з англомовною версією якого можна ознайомитись тут:

http://www.hrsdc.gc.ca/eng/workplaceskills/publications/fcr/pcf.shtml

КОНЦЕПЦІЯ ПРОЕКТУ

Створення справедливого і конкурентоздатного середовища на ринку праці, де іммігранти матимуть можливість повною мірою використовувати свою освіту, навички та досвід роботи в їхніх інтересах і для колективного процвітання Канади.

ОБ'ЄКТИВНІСТЬ

Критерії, які використовуються для визнання кваліфікацій, мають бути об'єктивними, обґрунтованими і не проявляти упередженість.

Кандидати на роботу, навчені в Канаді або за кордоном, матимуть рівні умови та вимоги для показу їх кваліфікацій.

Результати оцінки та підстави, на яких було прийняте те чи інше рішення, будуть чітко пояснені.

У разі необхідності заявники будуть поінформовані про можливість інших варіантів, якщо повне визнання кваліфікації не відбувається.

ЗАГАЛЬНЕ ВИЗНАННЯ

Методи оцінки та критерії, за якими визначатимуться кваліфікації конкретних професій, будуть взаємно прийнятними та визнаватися в кожній провінції і території Канади.

Summary of article

This article is based on information presented in the Federal Government's Pan-Canadian Framework for the Assessment and Recognition of Foreign Qualifications plan. Topics include: purpose of the framework (fairness, transparency, timeliness and consistency), what professionals need to do to prepare to work in Saskatchewan (important documents, qualification assessment, English language requirements), a description of regulated and non-regulated occupations and trades, steps to obtain the registration, certification or licence necessary for internationally educated professionals to work in their occupation in Saskatchewan.

ЧАСОВІ РАМКИ ВТІЛЕННЯ І ПЕРШОЧЕРГОВІСТЬ КВАЛІФІКАЦІЙ

Попри те, що принципи визнання кваліфікацій застосовуються до всіх регульованих професій, наступний перелік спеціальностей буде головною точкою відліку для всеканадських норм оцінки іноземних кваліфікацій. Очікується, що до 31 грудня 2010 року буде створено систему оцінки таких професій:

- архітектори
- інженери
- фінансові аудитори та бухгалтери
- технологи медичних лабораторій
- спеціалісти з трудової та реабілітаційної терапії
- фармацевти
- фізіотерапевти
- дипломовані медичні сестри

У ході реалізації програми, перелік кваліфікацій буде розширюватися.

До 31 грудня 2012 список професій буде включати наступні спеціальності:

- стоматологи
- техніки інженерної галузі
- ліцензовані медсестри
- технологи медичної радіології
- лікарі
- вчителі (K-12)
 - початкових та
 - середніх шкіл

На сьогоднішній день вже є можливим отримати оцінку іноземної кваліфікації з певних регульованих професій у нашій провінції. Цей процес не є простим і не попадає під єдину схему, оскільки різні професії мають різні критерії оцінки. Окрім того цей процес не є безкоштовним. Як довго займе цей процес і скільки це коштуватиме, залежатиме від роду вашого зайняття і відрізнятиметься в кожній окремій ситуації.

Але перш за все давайте визначимо, що таке регульовані та нерегульовані професії.

НЕРЕГУЛЬОВАНІ ПРОФЕСІЇ

Більшість видів робіт в провінції Саскачеван, не регулюється. Роботодавець сам вирішує чи підходите ви за кваліфікацією і досвідом для конкретної роботи чи ні. Якщо для отримання певної посади вам необхідно підтвердження вашої освіти, ви можете пред'явити свій шкільний атестат, або диплом середнього спеціального чи вищого навчального закладу з України та переклад цього документу англійською. Якщо роботодавець забажає отримати канадський еквівалент вашої освіти, можете звернутися за послугами до International Qualification Assessment Service скорочено IQAS (Послуги оцінки міжнародної кваліфікації) де ваші освітні документи будуть порівняні до канадських освітніх стандартів. Координати IQAS:

http://employment.alberta.ca/Immigration/4522.html

РЕГУЛЬОВАНІ ПРОФЕСІЇ

Існує ряд професій, де необхідно мати ліцензії, свідоцтва або сертифікати для роботи за тим чи іншим фахом. Такі професії називаються регульованими.

Перш ніж ви почнете працювати на такій посаді, регулюючий орган повинен оцінити вашу кваліфікацію і визначити, чи відповідає вона професійним вимогам. На сьогодні ці вимоги та правила можуть відрізнятися у різних провінціях Канади.

У Саскачевані до регульованих професій, що вимагають підготовки, відносяться такі промислові спеціальності (trades) як:

- електрики
- механіки холодильних установок
- сантехніки
- працівники з листовим металом

Перед тим як отримати роботу за цими спеціальностями, працівникам необхідно мати сертифікат journeyperson (майстра виробництва), або бути зареєстрованим учнем у Saskatchewan Apprenticeship and Trade Certification Commission (Атестаційна комісія промислового навчання Саскачевану). Перукарі також повинні мати сертифікат journeyperson або посвідчення учня. Для всіх інших промислових спеціальностей ліцензії або сертифікати не потрібні. Але навіть якщо ліцензування за законом не вимагається, ви можете пройти процес сертифікації та отримати кваліфікацію journeyperson тому, що багато роботодавців надають перевагу кваліфікованим працівникам, які мають сертифікат, а також це дає можливість отримати вищу заробітну плату.

Окрім наведених вище промислових спеціальностей, до регульованих професій у нашій провінції відносяться такі як:

- агенти з нерухомості
- агрономи
- адвокати
- адміністратори міських муніципалітетів
- архітектори
- ветеринари
- вчителі
- геодезисти
- геологи
- інженери

- іпотечні брокери
- працівники соціальної сфери
- працівники міського планування
- сертифіковані бухгалтери
- страхові агенти
- технологи та лаборанти наукових лабораторій
- чартерні бухгалтериексперти

Для того, щоб ознайомитися зі схемою та вимогами для отримання ліцензії для вищезгаданих професій зверніться до веб-сторінки провінційного уряду:

http://www.saskimmigrationcanada.ca/is-my-occupation-regulated

Натисніть позначку: **Regulated Occupations in Saskatchewan** і у допоміжному списку виберіть професію, яка вас цікавить. Перед вами з'явиться схема у форматі PDF (яку можна видрукувати), з детальним «крок-за-кроком» поясненням англійською процесу отримання акредитації ваших професійних знань.

Що варто мати і знати перед тим як подаватися на оцінку кваліфікації:

■ Оцінка кваліфікації

Оцінка кваліфікації визначає чи рівень вашої кваліфікації відповідає стандартам роботи за певною спеціальністю в Саскачевані.

■ Документи підтвердження освіти

Роботодавці, регулюючі органи, або атестаційні комісії можуть запросити документи, пов'язані з вашою освітою і досвідом роботи. Необхідно мати оригінали дипломів трудових книг та їх переклади англійською.

■ Додаткова підготовка

Цілком можливо, що для отримання ліцензії за регульованою професією ви будете змушені скласти іспит, або представити докази спеціальної підготовки. Для того, щоб ваш рівень підготовки відповідав провінційним стандартам, регулюючий орган або атестаційна комісія, при потребі, може зажадати від вас додаткового практичного або теоретичного навчання. Не думайте, що якщо ви працювали на тій самій посаді в Україні, то зможете автоматично продовжувати працювати за цим фахом у Саскачевані.

■ Вимоги знання англійської мови

Щоб одержати роботу за найбільш кваліфікованими професіями у Саскачевані, ви повинні бути в змозі говорити, розуміти, читати і писати англійською мовою. Досить часто іммігранти з початковим рівнем знання англійської повинні вдосконалити мову, перш ніж вони зможуть знайти відповідну роботу.

■ Можливість надбання освіти і підвищення кваліфікації

В процесі оцінки кваліфікації може виявитися, що вам необхідно оновити навички щоб отримати сертифікат чи ліцензію для роботи в Саскачевані. Якщо ви вирішите змінити професію, будьте готові до того, що вам прийдеться отримати додаткову освіту, або пройти необхідну підготовку.

Коли плануєте свою кар'єру, враховуйте такі питання:

- Які мої цілі й можливості?
- Які професії користуються попитом?
- Які навички та досвід я можу використати на новій роботі?
- Чи нове місце роботи або рід занять наблизить мене до моєї цілі?
- Як нова робота вплине на мою сім'ю?
- Які інші фактори можуть вплинути на моє рішення? (Напр. фінанси, вік, місце проживання)
- Які роботодавці у Саскачевані мають добру репутацію по найму кваліфікованих іммігрантів?

Отже наберіться терпіння, не розчаровуйтесь, не втрачайте бажання до навчання, зважте свої обставини та можливості — і будуйте свою кар'єру сьогодні. Це в перспективі принесе вам духовну і фінансову впевненість. Пам'ятайте про те, що своїми знаннями та навичками треба користуватися і таким чином їх вдосконалювати. Якщо ви своїми знаннями не користуєтеся — ви їх втрачаєте.

На все добре! В

UCC Regina to Host First Ukrainian Fall Festival

2010 marks Branch's seventh decade of activity

by Holly Paluck, Event Committee Chair

UCC Regina Branch is hosting its first outdoor festival on Saturday, September 11, 2010. The event, tentatively set between 11 am-7pm, aims to celebrate Ukrainian culture and recognize its people's contributions to Canadian society at all levels. By providing a free event that is open to the public, the Planning Committee anticipates that relationships both among and between our Ukrainian Canadian community and the community at large will be furthered.

To date, the capital city of our province has not had a festival of this scope or nature.

As such, it seems most fitting that the event shall take place on the grounds surrounding the Legislature Building in Wascana Park. Varied forms of local entertainment are being planned, as well as cultural activities and demonstrations throughout the day. Attendees should bring lawn chairs for their seating comfort at the stage and teamsport areas. The Ukrainian palate will be satisfied with cultural festival food and a beverage gardens (food, beverage, and souvenir items are available for purchase).

In addition to these exciting entertaining activities and attractions, our event intends to raise awareness of UCC-RB, (which is celebrating its 70th anniversary this year), as well as the contributions of its member organizations, currently totalling 19, each with their own purpose, identity, and service. We have many organizations and individuals that have contributed and continue to make Regina, Saskatchewan, and Canada, a great place for our Ukrainian community to call home. Special guests associated with the Regina-and-area community are being invited to attend, as are the local media.

The event seeks to connect Regina and area residents with the organizations and their activities that currently exist. Organizational displays and members will be available.

More information will be posted on the Regina Branch and UCC-SPC websites as it becomes available.

Should you wish to participate in the day, through providing entertainment, activities, demonstrations, team sports, and/or Organizational/ Business Sponsorship, please contact: ruff2010@live.ca.

News from the Ukrainian Canadian Congress (UCC)

■ Executive Director Appointed

The UCC is pleased to announce the appointment of Taras Zalusky as Executive Director.

Taras will be responsible for overall the leadership and management of the Con-

gress' operations including the implementation of the strategic plan, recommending policy direction to achieve the goals and further the mission of the organization, and supporting its programming, events, and educational programs. He will also be responsible for establishing a full-time UCC office in Ottawa and managing the UCC head office in Winnipeg.

Taras was Senior Deputy Chief of Mission to the 2004 and 2010 Canadian Election Monitoring Mission to Ukraine. ■ Concern Over Recent Developments in Ukraine

There are 1.2 million Canadians who trace their roots to Ukraine. The UCC represents the interests of this vibrant and active community that closely follows developments in their ancestral homeland, for which they wish nothing more than peace, prosperity, and the ability to pursue a full independent, democratic and dignified existence.

Our community is deeply disturbed by recent events in Ukraine, namely:

■ The decision to extend Ukraine's port lease to Russia's Black Sea fleet by 25 years was highly inflammatory and divisive among the people of Ukraine. Overlooking the question of the constitutionality of this move, such a significant decision was made precipitously and rushed through Parliament without any consultation with Ukraine's citizens or its neighbours.

President Yanukovych's remarks in Strasbourg diminish the enormous suffering of the Ukrainian people in the Holodomor, by saying it was a consequence of Stalin's totalitarian regime, rather than a genocide.

This position is contrary to the law of Ukraine, the vast body of recent academic research based on original Soviet archives in Ukraine, the position of the previous Ukrainian government, the current Government of Canada, the Ukrainian World Congress and the UCC, instead putting it in accord with Russia's interpretation

■ Ukraine's strategic assets: According to statements by Ukraine's Prime Minister Mykola Azarov, Ukraine is considering the proposal put forth by Russia's Prime Minister Vladimir Putin to merge Russia's Gasprom with Ukraine's Naftohaz as well as the nuclear energy assets of both countries. There are numerous recent examples of Russia leveraging energy to extort various concessions from Ukraine. Merging Ukraine's state-owned energy companies which own its gas transportation and distribution system, its oil and gas exploration, production and deposits, as well as its nuclear companies with those of their Russian counterparts will make Ukraine entirely dependent on Russia. Such a move would be an unpardonable sell-out of Ukraine's principal strategic assets and, indeed, its independencesomething that no other nation in the world would countenance.

The UCC calls upon the President and Parliament of Ukraine to: commit Ukraine on a path to remain outside Russia's political and economic sphere of influence. ■ issue a public statement to reaffirm Ukraine's position that the Holodomor was an act of genocide against the Ukrainian

uphold the letter and the spirit of the Constitution of Ukraine.

Ukrainians Canadians remind President Yanukovych that he

campaigned on the promise to bring stability and seek consensus in Ukraine. We sincerely hope that as the President of Ukraine he will take a consultative, cautious and even-handed approach to dealing with some of the difficult issues and choices that currently confront Ukraine.

As one of Canada's largest and most influential ethnic communities we continue to promote the special partnership between Canada and Ukraine. We believe that this relationship will provide longterm and mutual benefits to the economy and society of both Canada and Ukraine.

We pray for the people of Ukraine during these trying times and that its leadership will have the moral and civil fortitude to do what is in the best interest of all its people. **B**

Sheptytsky Institute is a Ukrainian Catholic student residence located near the University of Saskatchewan in Saskatoon. The original residence, established in 1935 by the Ukrainian Catholic Brotherhood, provided a culturally and spiritually affirming atmosphere for young men pursuing post-secondary education. In 1953, funds raised by Ukrainian Catholics across Saskatchewan allowed for a new residence to be constructed on the corner of College and Wiggins. In 1979, Sheptytsky Institute became co-educational, allowing both female and male residents to experience the benefits of this 'home away from home' while attending university.

In 1975, at the request of Bishop Andrew Roborecki, the Metropolitan Sheptytsky Society of Saskatchewan (MSSS) was asked to expand its mandate

Notice of Change in Management of Sheptytsky Institute

and to assume responsibility for management of Sheptytsky Institute. The MSSS is a registered, non-profit Corporation which represents the interests of all Ukrainian Catholics in the province through an elected volunteer Board of regional representatives. Until the present day, the MSSS has prudently and diligently fulfilled this requested mandate in managing Sheptytsky Institute.

In June of 2009, the MSSS was informed of new initiatives to involve the use of the Sheptytsky building, as communicated by the Bishop and Eparchial Consultors. After a series of discussions, it became clear that any ongoing relationship was going to be of a short-term nature only and that the Bishop and Eparchial Consultors' long-term objectives were not consistent with the MSSS's view of the role of the Sheptytsky Institute or the MSSS's approach to management. The MSSS concluded that without an arrangement which would see the Sheptytsky Institute operate for a commitment of more than a year at a time and a minimal degree of management autonomy, the MSSS could not provide prudent and effective management in accordance with the purposes for which the Institute was formed. The MSSS therefore determined that there was no acceptable alternative to rejecting the terms the Bishop wished for the future operation of the Sheptytsky Institute.

Accordingly, the MSSS regretfully must announce that after a 35-year role in managing Sheptytsky Institute for the Eparchy of Saskatoon, management of the Ukrainian Catholic student residence will be assumed by the Episcopal Corporation of Saskatchewan or its designated successor, beginning May 16, 2010. The MSSS will continue to work on behalf of Ukrainian Catholics in the province to meet educational, cultural, and spiritual goals, as outlined in its mission statement.

Open yourself to a world of possibility... learn Ukrainian!

2010-11 Ukrainian Language Classes at STM College (U of S)

Beginner and Intermediate Levels

Ukrainian Studies Courses at STM College

Submitted by Nadya Foty, Project Research Associate, Prairie Centre for the Study of Ukrainian Heritage, STM, U of S

The 2009-2010 academic year at the University of Saskatchewan saw Ukrainian language courses offered at St. Thomas More College. Students enjoyed a busy year of language and cultural learning in beginner (Nadya Foty) and intermediate (Yurko Zerebecky) courses.

At the beginner level...

there was a full enrollment of 35 students in the Ukrainian 114 fall semester class. The UKR 114 class worked through Roma Franko's (long-time faculty member and former head of the Slavic Studies Department at the U of S) text Ukrainian for Speakers of English, in addition to other activities and assignments.

Ukrainian 117 in the winter semester saw many students continue on from UKR 114, with new faces joining the class. The students were studious in their desire to learn more of the language fundamentals.

At the intermediate level...

it did not take long for the creative aspects of learning and writing to begin.

Though students came from varying backgrounds and knowledge bases, the group functioned very well together, assisting each other and encouraging each other's Ukrainian language growth.

The intermediate groups in Ukrainian 214 and 217 used Franko's textbook primarily,

and also newly-available supplementary materials.

The Cultural Research Project...

is built into the curricula of all Ukrainian language classes. Students are encouraged to choose and research any topic in Ukrainian culture (e.g., Easter traditions, Kozak history, Ukrainian hockey players), and are asked to submit a fivepage report.

Many chose to interview their own family members about family history or about Ukrainian traditions maintained within their families.

Students commented that they were grateful to have had the opportunity to do the research, given the fact that most do not have such exposure to "cultural capsules" beyond the classroom.

Мово рідна, слово рідне, Хто вас забуває, Той у грудях не серденько, Тілько камінь має.

— Сидір Ворокевич

In addition to the fall and winter semester courses, the Spring Session in Ukraine: **Ukrainian Language Immersion** Program takes place every spring at the Ternopil National Pedagogical University. Language instruction is offered at Elementary, Intermediate and Advanced levels and courses are accepted as U of S credit courses. For more information, contact ssu@stmcollege.ca.

Scholarships

STM manages a number of scholarships on behalf of the U of S. Targetted for students studying Ukrainian, the scholarships are of varying value with differing award criteria. A few are available to students who have completed at least 12 credits of Ukrainian language courses. Other scholarships have additional criteria in place, such as Ukrainian cultural activity involvement and/or enrollment in the 300level Ukrainian language courses.

Such scholarships provide further incentive for students to register and stay with the language classes beyond one semester.

Khanenko-Friesen, associate professor of Cultural Anthropology at STM. It offers students an in-depth look into the cultural foundations of contemporary Ukrainian society. Topics range from an overview of historical foundations of the Ukrainian nation. to the analysis of Soviet and post-Soviet cultural institutions and practices. Special emphasis is placed on the experiences of ordinary Ukrainians through the historic changes of the 20th century.

In April, the course hosted an open debate on presentday Ukraine. Two teams evaluated the pros and cons of contemporary developments in Ukrainian society. A judges panel, called from members of the general public, was rep-

resented by Dmytro Dyachuk (a computer sciences student from Chernivtsi), Crystal Haskey Nataraj (a graduate student in history), and Chad J. Poitras (an alumnus of the Central European University in Budapest, with extensive work experience in the Ukrainian government).

Politics of Change in Post Soviet Ukraine (POLS 343), offered by Political Studies professor Dr. Bohdan Kordan, examined the process of institution-building in post-Soviet Ukraine, placing particular emphasis on the role of power politics and its impact on institutional development and the democratic process.

The course sought to explain how and why power politics has trumped democratic institution-building in Ukraine and assessed whether the country would be able to overcome some of the pathologies and dysfunction associated with the way in which contemporary politics has played out in today's Ukraine. The analysis and classroom discussion were enhanced by referencing at the time the upcoming 2010 Presidential election.

It is very pleasing to report that at long last, with great thanks to the unwavering support and guidance of St. Thomas More College, there is potential for growth in Ukrainian studies. The following student testimonials confirm that interest in this area has indeed been rejuvenated:

"It is an awesome program. I looked forward to it every day."

"The language classes are truly amazing here and I just love it!"

"It would be awesome if there were other Ukrainian courses offered! It's awesome to learn about my heritage!"

Encourage those interested in your communities to enroll in U of S Ukrainian courses offered through STM College—we offer a fun and interactive learning environment to all registered and auditing students.
